Conditions of Sale

TERMS: When order is accompanied by cash in full, a discount of 5% will be allowed from printed rates.

To customers with known or approved credit rating, net 30 days, 2% 10 days.

C.O.D. orders must be accompanied by at least 25% deposit.

PRICES: The prices in this list are intended only for the wholesale trade and are subject to change without notice.

These prices are based on truck-load or car-load lots, without crating. Smaller shipments of lining-out or bare-root stock will be packed at cost but we cannot accept orders for B&B stock where crating is required.

CLAIMS: All claims must be made immediately on receipt of stock. We shall be glad to rectify any mistake made by us, but in no instance will our liability be more than the purchase price.

TRANSPORTATION: Please state whether you want your shipments by Express, Freight or Motor Freight. We make no charge for delivery to railroad station, but our responsibility ceases when goods are turned over to carrier, and risk and cost of transportation belong to purchaser.

CAUTION: All orders are accepted subject to growth of stock and to seasonal and other conditions not under our control.

**All prices in this list are NET
except as follows:**

1. Cash, in full, with order earns a 5% discount from list prices.
2. Cash in ten (10) days from date of invoice earns 2% discount from list prices.
3. All prices thereafter are strictly NET 30 days.

ILEX OPACA (American Holly)

American Hollies are fast becoming America's most popular plants. Those listed below are all named varieties of tried and proved worth and should not be compared with seedling or unnamed sorts.

Croonenberg. A Greenbrier introduction. Upright, compact grower with fine dark green foliage, above average in size and very spiny. Berries of good size and fine red color.

Howardi. Foliage very dark and glossy. Berries red and attractive.

Savannah. A fast grower, columnar and upright in habit. Very handsome and fruitful, with the red fruit well displayed.

Taber #3. A very distinct and outstanding variety. Growth slender and pyramidal, retaining this form without pruning. Foliage large and spiny. Showy, large, bright red fruits.
